Fezell to give response

McLennan County District Attorney Vic Fezell is scheduled to present a two-minute response to a Dallas television station editorial at 10:30 p.m. Tuesday.

The rebuttal is scheduled to air on WFAA-TV, Channel 8, after the station's regular newcast.

John Ben Sutter, administrative assistant for Fezell, said Fezell's rebuttal is in response to a July 25 editorial by Channel 8 newcaster Tracy Rowlett that was critical of the McLennan County District Attorney's office.

Fezell also has been the subject of numerous reports by Channel 8 reporter Charles Duncan.
