I assisted OFFICER NICOLETTI and DEPUTY SHERIFF, ABRAHAM at the area known as VETERAN'S PARK, located below the bridge spanning the North Bosque river on Highway 185. While at that location, DET. NICOLETTI pointed out to me several items, these items being a used condom, a condom package, what appeared to be a wooden table leg, a Budweiser beer can, a Coors beer can, a brown bottle containing some milky unknown substance. Photographs were taken of all these items and these items were taken and seized as evidence and brought and placed in the Property Room in reference to this case. The Budweiser beer can was dusted for fingerprints. There were several prints that were found, however it is unknown at this time as to whether they are readable. DET. NICOLETTI will take the Budweiser beer can to the ID section to ascertain as to whether these prints can be identified or not. There was a total of eight photographs taken at the VETERANS PARK area. Photographs will be as follows.

1. Shows the used condom lying on the ground
2. The package the condom came in
3. A brown bottle and the table leg
4. The Budweiser beer can
5. The Coors beer can
6. An overall view showing the wooded area in which the above items were found
7. A cut mark on a tree
8. Also shows cut marks on the tree from different angle

Photographs were placed in a Special Investigator's envelope and turned in to the ID locker for processing.
